### Tastes of Prosecco

It's not too late to pick up a bottle or two of Italian sparkling wines, including prosecco, Italy's moderately priced contribution to the celebratory toast. And to help you decide which one to buy, there will be a tasting of a half-dozen of them at [Italian Wine Merchants](#), 108 East 16th Street, on Dec. 27 from 1 to 3 p.m. The cost is \$50: (212) 473-2323.
